DAILY TRIBUNE. Saturday Morning..... Feb. 21, 1857.

LOCAL DEPARTMENT.

DRAINING SEMINARY.—The bill to incorporate Dearborn Seminary, of this city, has become a law.

CAUGHT.—Patrick Kennedy was yesterday arrested and sent to Waukegan upon a charge of having committed a heavy and plucky counterfeit money in that city.

JOHN G. SAXE.—This distinguished poet is to deliver his celebrated poems, "The Money King," before the Metropolitan Literary Union of this city, on the 24th of March.

LECTURE TO TURNER HALL.—Rev. R. R. Shipman will deliver a second lecture to Young Men, in the Unitarian Church to-morrow evening. Subject—"Culture."

POLICE COURT.—Joseph Curtiss was fined $10 for abusing his family. For being drunk and disorderly, Richard H. Williams was fined $2; Susanna Tolbert, Catherine Cooper, Mary Owens and Thomas Walker, $5 each.

DRIVEN FOR KANSAS PERMIT.—Messrs. Sanford, Hall & Co., forwarders and commission merchants, on Water street, have very generously offered to the National Kansas Committee, the free use of their warehouse for the storage and re-shipment of goods designed for Kansas. The offer has been accepted.

TO THE PHILANTHROPIC.—Tom Wright—a colored man from Missouri—is at present in the city endeavoring to secure contributions sufficient to enable him to purchase his son who is still held as a slave. His applications for aid should meet a generous response.

UNPAID LETTERS.—The following is a list of letters remaining in the Post Office, for the non-payment of dues, Feb. 21, 1857:

R. B. A. Bacon, Samuel O'Brien, Tom Andrew, Sec., S. Heath, Rev. Wm. O'Donaloe, Mrs. C. A. Washburn.

OUR SISTER ADRIAN.—The Times cries out "Financial Rehearsal—A Glorious Democratic Victory." But it crowed before it was out of the woods. Hoxie is elected by 17 majority. See particulars on inside page. Cincinnati is redeemed from Border Ruffian rule. The city gave Hoxet (Republican) 426 majority. Revolutions never go backwards.

FIRE AT LYONS.—Though a private source we learn that a destructive fire occurred on Thursday evening of the present week at Lyons, on the Mississippi. The fire destroyed some seven stores, and extended the entire length of a block on Main street between 2nd and 3rd streets. Both the printing offices—the *Mirror* and *Advocate*—were burned, the press of the latter only being saved. We have no further particulars.

BECONER'S CASE.—This tribunal was engaged during the whole of yesterday in the trial of William M'Kinley, Michael Dwyer and William North, indicted with Root, upon a charge of counterfeiting money from Mr. Avery, a banker dealer of this city, under false pretenses. Root turned State's evidence against his confederates and was used as a witness by the prosecution. The case will be concluded to-day.

ADVERTISING.—Somebody has said that "woman is a good thing like a piece of ivy—the more you are inclined to, the closer she clings to you. A wife's love don't begin to show itself in its power till the Sheriff's after you."

Rather a close attachment that don't show itself till after you have seen the sheriff.

HYENICS.—Skoolcraft says that a celebrated hymn writer stole one of his stanzas from that old "heathen," Virgil. Virgil, a catholic Roman, though, we believe, not a Roman Catholic, says—"Facile de omnes deorum fit, si velis." Any English bard (Dr. Wallskin excepted) would rather unhumanly say:

"The gods of Hell must soon unite and day,
Should the drowned and easy in the way."

ST. L. ADVANCING.—The corner of Clark and Washington streets was offered to the committee of the Board of Trade for $1,000 a front foot foot. On Thursday last $1,100 per foot was offered for the same property and refused by the owner. The corner of Michigan Avenue and Congress street, (20 feet) sold last week as we stated for $416 per front foot, since then, $1,600 hence has been offered for it; but it is refused for less than $500 per foot.

MUNICIPAL CORRUPTION.—We have been placed in possession of a number of facts in relation to assessments for city improvements which show the most outrageous frauds and corruptions on the part of city officials. The facts are shall emerge in an article which will appear in a few days. Will those who are in possession of facts relating to this matter do the public a service by furnishing us with them for publication. It is desirable that details and figures should be given as far as possible.

WASHINGTON'S BIRTH DAY AND PUBLIC SCHOOL, No. THREE.—At the request of a number of the pupils in Public School, No. 3, we publish the following card:

PUBLIC SCHOOL, No. 3, Feb. 20.

The School wishes to celebrate Washington's birth-day on Monday, but were refused permission by the School Inspectors, unless we would have it during recess (Saturday).

You being a friend of our public schools we wish you would notice it in your paper.

THE SCHOLARS of PUBLIC SCHOOL, No. 3.

Y. M. ASSOCIATION.—We understand it is to be decided to-night whether the attempt to secure new buildings for the Young Men's Association shall be abandoned.

The proposition of Mr. Bryan was a most liberal one, most honorable to him, and, if they await themselves of it, most fortunate to the Association. The committee have been unable, however, to raise the sum required by the terms of the proposition, and unless an entirely vigorous effort is made by the members and friends of the Association to-night, another golden opportunity will be lost.

Every member should attend the meeting to-night.

KANSAS EMIGRATION COMPANY.—A company bearing the above title is being formed in this city, having for its object the selection of some good town site in the territory of Kansas, and the immediate settlement of the same by the Company.

Two responsible agents will leave for Kansas on the 1st of March to make a selection of lands for a town site with good water privileges. The company will go out prepared to put up a good saw mill and hotel as the first rudiments of a town. Young men, tradesmen, carpenters, painters, &c., are wanted to complete this enterprise, and will have to do so, with every prospect of success. The company will start with a capital stock of $10,000 to be divided into shares of $100 each, and paid in instalments. There can be no work so fell. All those wishing to join will do well to address

H. G. PARKER, Corresponding Secretary, Box 1,778.

PRESBYTERIAN SEN. BELMONT'S RATE.—We do not consider it a necessary principle that a candidate for office must be a church member; neither do we regard it as a disqualification to be one. We are led to making these observations from hearing it report, of that, a prominent candidate for Mayor—objected to another individual who was talked of for the same office, on the ground that he was a church member. Low rowdies and those who live by evil or love, [illegible] against a candidate, at the polls, but nine out of every ten of those classes of people being by association, principle, and instinct in the black democracy; and the odd tenth who may be voting with the Republicans still possess enough remnants of virtue from former and better days, to prevent them from raising their objection to any candidate.

LARCENY OF MONEY.—Henry Somerwald and William Kelly were yesterday brought before Justice Allen, upon a charge of robbing John Brewer of $95 in money. Mr. Brewer is a resident of Franklin Grove, Ogle county, and came to the city to purchase a quantity of [illegible] Medal, and Hamilton House. Somerwald expressed a desire to attend the exhibition, whereupon Somerwald and Kelly volunteered to show him the way, and Mr. Brewer, delighted at his little out of country adventure, was only too happy to accept their kind offer. They accordingly started for the [illegible] which they never reached. Mr. Brewer was followed by the two friends as "shadows" [illegible] Court, a very small amount of information sufficed, and after the trio got back to Dearborn street Brewer was left to take a few moments' repose in the [illegible] Kelly went to the [illegible] Somerwald [illegible] Brewer's pocket-book, which he had [illegible] the exposition of the previous night, and [illegible] this circumstance to the [illegible] Somerwald and Kelly, they quietly sympathized with him in the loss of his pocket-book, [illegible] to, and not quite so far, [illegible] with [illegible] to get back to his home in the [illegible] town of Franklin Grove, for which bill of [illegible] Mr. Brewer was duly grateful, and forthwith [illegible] to journey homeward. Up to this time [illegible] had remained an unsuspecting [illegible] of the [illegible] Brewer, but [illegible] the history of the new friends, [illegible] Mr. Brewer [illegible] of Mr. G. R. Dutton, of 107 Randolph street, who [illegible] and [illegible] to have [illegible] Somerwald and Kelly [illegible] Brewer [illegible] Somerwald and Kelly [illegible] Brewer [illegible] Somerwald [illegible] Brewer [illegible] Somerwald [illegible] Brewer [illegible] Somerwald
